Work Experience

2011-9-01 TILL TODAY

Freelance Web Developer at dorton.co:

Develop applications for both clients and internal applications for companies.

- DocDel: Developed fullstack MVP for document and rights management for entertainment law firm
- CarRiders: Developed application for an efficient, safer alternative to school dismissal. Currently in place at 3 campuses
- TIY Event Signin: Developed an event signin app that helps you glean patterns and data from attendees of your events. Currently used nationally at The Iron Yard

2014-9-01 TILL TODAY

Lead Campus Director at The Iron Yard:

Running operations at The Iron Yard Academy's three-month intensive code schools personally focused on the Houston campus.

- Lead and contribute to company-wide initiatives that are aligned to The Iron Yard Mission and Vision
- Support and manage a region of 6 campuses
- Support campus level decisions ranging from student concerns to budget questions
- Administer performance reviews

2011-8-01 till 2014-8-30

Campus Administrator at Houston Independent School District:

- Ensure federal compliance for campus Title I monies. Monitor campus free and reduced lunch program and applications.

- Disaggregate and disseminate grade level common assessment data and district level assessment data as collected through the EdPlan system. Assist grade level teams in spotting trends using the data and designing interventions to address any gaps.

- Ensure campus computers/mobile devices are maintained and running. Design and deliver technology professional development sessions to staff and beginning computer classes to parents. Oversee all campus technology initiatives.

2008-8-01 till 2011-8-01

District Curriculum Specialist - Education Technology at Houston Independent School District:

Support technology integration for one of the largest school districts in the US.

- Lead over 100 hours of trainings for teachers across the district on the technology integration.

- Support campus level decisions ranging from student concerns to budget questions

- Administer performance reviews
